# a new way of travelling in Cheshire

## What is TaxiRider?

**TaxiRider** is a new way of travelling that combines the convenience and flexibility of a taxi with the economy and reliability of a bus. It operates in the Knutsford area, and provides journeys from the villages of Mobberley, Great Warford, Marthall, Ollerton, Peover Heath, Over Peover, Swan Green, Lower Peover, Plumley and the rural areas around them, all for the **price of a bus fare**.

**TaxiRider** is booked in advance, to travel at a time that suits you - just like a taxi. Because **TaxiRider** is a shared taxi service, other passengers may also be travelling on the vehicle at the same time. This sharing keeps the fare charges down and means you won't pay much more than a bus fare. It also means you may need to be a little flexible about your journey times.

## Where can I go?

The area served by TaxiRider is split into zones. You can travel between villages in the **TaxiRider** area (see map on back page), and also from Zones A or B to the towns of Knutsford, Northwich, Wilmslow and Altrincham. Journeys can be made for almost any purpose - shopping, meeting friends or to make connections to bus and rail services! And **TaxiRider** is available to pick you up and take you back home again.

## When can I go?

**TaxiRider** is available between 7.00am and 7.00pm **seven days a week!**

## Who can use TaxiRider?

**Anyone!** The **TaxiRider** vehicle is fully accessible with a power operated wheelchair lift, so all members of the community can travel with ease and in comfort.

# Its as easy as **A B C** to book your **TaxiRider** journey

Decide when and where you want to travel within the area overleaf

Call **01565 621222** to book your journey - it helps to give as much notice as possible

You will be picked up from your desired location or the designated **TaxiRider** pick up point at the arranged time

## Some handy hints...

If you are making a return trip, it helps if you can book both directions of your journey at the same time. You can also book **TaxiRider** for trips you make regularly, such as commuting journeys to local bus or rail interchanges. However, it is important to note that all journey requests are subject to availability - the earlier you book, the more easily we can meet your request.

This service is operated by Amber Cars on behalf of Cheshire County Council, funded by the Rural Bus Challenge
